Guess which of these Hibs kids has to put up with these conditions?

The truth is they all do. All of these kids look just like ordinary children that you'd see here at Easter Road on a match day, but the fact is they are the kids from orphanages in Dnipropetrovsk. The toilets you can see cater for more than 50 children of various ages. The dormitories are no more than a room full of back-to-back beds and the kids have no privacy. These children need love and attention, as much as any other child. There is not enough funding supplied to update these facilities and bring them up to a standard that we would find acceptable. There is hot water supplied by the local

authority, but only in the winter months. This means kids having to wash in cold water. This is where we need your help. Please email us at the address below. With the help of Hibs fans this charity has grown from strength to strength but we need your continued support if we are to try and improve these conditions. We send a team out twice a year to help and also to bring home pictures of how your contributions help them. Whatever you give, no matter how small, it will make a big difference.

For more information contact the Dnipro Appeal Team by email: info@dniprokids.com or visit www.dniprokids.com
